

- Search multiple Illinois library catalogs at once. Anyone can search.
 - Patrons and staff of participating libraries can log in to place and manage requests.
- 

- ### Benefits
- Seamless discovery and delivery: find it, click it, get it
 - Better interlibrary loan service, efficiency, and cost-effectiveness
 - Support for reciprocal borrowing service (in testing)
 - Option to download MARC records
 - Ability for nonautomated libraries to participate
 - OCLC alternative for libraries that want one
- 

Terminology

- Find More Illinois (program)
- SHAREit (software)
- Auto-Graphics (vendor)
- Z39.50 (protocol)

SHAREit Software

- Supports a hybrid model
 - Virtual catalog using Z39.50 connections
 - Physical union catalog
- Web-based; no software to install
- Load balancing
 - Lender lists are randomized to distribute requests among libraries with available copies

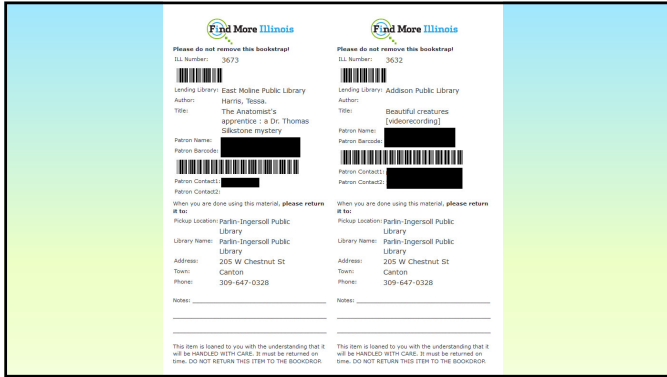

SHAREit Software—Version 6

- Greater security
- Ability to open multiple sessions in different tabs of the same browser
- Improved display of search results
 - More modern look
 - Holdings locations at top of the full record display
 - Goodreads reviews for titles that have them

PATRON, PLEASE DO NOT REMOVE SHIPPING SLIP FROM ITEM			

Advantages over OCLC WorldShare ILL

- SHAREit automatically builds the lender lists
- For catalogs connected via Z39.50, there is no need to update holdings separately
- Shipping label functions as RAILS delivery label

Costs

- Implementation fees
- Annual membership fee
- ILS vendor costs (maybe)

Implementation Fees

- One-time cost; pass-through of vendor charges
- Per integrated library system
- Per library
- RAILS will provide customized quotes

RAILS Assistance

- ILS implementation fee waived
 - Members of shared catalog consortia within RAILS
 - Early adopters for libraries with standalone ILS
- Library implementation fee waived
 - Libraries in first two membership tiers (paying \$250 or less annually) joining as early adopters

Annual Membership Fee

- Scaled to make participation affordable for libraries of different sizes
- Based on total collection expenditures (all formats)
- Ranges from \$150 to \$8,500

Interested in Joining?

- Libraries can join at any time
- See the Join tab on the Find More Illinois website
 - Fee structure
 - Implementation steps
- Questions? Email info@findmoreillinois.org
- Discuss potential participation with your ILS manager
- Request a quote

Implementation Steps

1. Quote acceptance/letter of intent (Library)
2. Participation agreement (Library and RAILS)
3. Develop an implementation schedule (RAILS and library)
4. Data collection (Library, ILS staff, and RAILS)
5. Software setup (Auto-Graphics and RAILS)
6. Training (Library and RAILS)
 - One day in-person training for library staff members
7. Integration of Find More Illinois into library's ILL workflow (Library, with advice from RAILS)

RAILS Support

- Project research and funding for pilot project
- Assistance with implementation fees
- Training and technical support
 - Eric Bain, Technology Special Projects Coordinator
- Coordination with shared catalog consortia
